

RP245 POLISHING RIDER

6-FOOT POLISHING RIDING TROWEL

DOLLY JACK SYSTEM

The RP245 riding polisher was designed with the high volume concrete polisher in mind. This riding trowel comes as designed to achieve high rotor speeds to achieve high torque while polishing. It also comes equipped with standard features power steering control and dolly jacks that ensure transportation indoors can be done with ease. This design is also built on our popular edging riding trowel frame to allow contractors to get extremely close to the wall while polishing.
